#### **Good News:**

An officer in Mole Valley was passing temporary road works near Dorking complete with signs and men wearing reflective jackets. A call to BT revealed what he already suspected that this was a bogus team stealing it and **several arrests plus seizure of a vehicle and equipment** followed.

Three men have been **charged** with the **theft of scrap metal** from a farm in Normandy using a red Citroen Relay van **X834LHR** at 1218am 19/1
