This is an indication of the types of food we offer. However, because everything we do is made and dependent on the market, things may not always be available. If you have a request please telephone us so that we can endeavor to have your favourite food on the day you are visiting us.

Try our amazing 'fruits de mer', probably one of the best in the country.....go on, if you like seafood, this is a must.

Why not come out to the barn for Sunday Lunch, served between 12 and 2.
