Please consider wing tags on birds for the next season.

I know that it can be time consuming to fit them, but from the Police point of view, it takes the birds from '**wild**' status once released, to that of '**property**'. It makes them identifiable and that is a big, big difference on how we can deal with any of the 'thieving fraternity' who happen to be in possession of them.

If you would like your saddles marked (£5 each) then please email your interest to countrywatch.w@surrey.pnn.police.uk.
